

WHAT IS DESTINATION IMAGINATION?

Destination Imagination (DI) is an international, educational program that gives kids an amazing outlet for their creativity, while teaching them leadership, teamwork, positive thinking, project management and so much more. Teams of 2 to 7 kids from 3rd grade through university level solve one of six open-ended Challenges (Scientific, Structural, Fine Arts, Service Learning, Improvisation, or Technical) in their own unique ways, and present their solutions at Regional Tournaments in late February or early March. Teams also solve an on-the-spot Instant Challenge at the tournaments, where they must think quickly on their feet and work together to solve a problem in around five minutes. There's even a noncompetitive Rising Stars! category with a special Challenge for K-2nd grade. Winners advance to the Affiliate (state/country) Tournament, and winners at the Affiliate Tournament move on to Global Finals to compete against more than 1,400 teams from around the world.

Teams are being formed now!
For more information e-mail:
SkyViewdi@gmail.com

- **Open to all ages K-12!**
- **DI has several great opportunities for HS students to earn service hours!**
- **High schoolers- form your own team and solve a real community need.**

ADDITIONAL INFORMATION:

- DI is a “CO-OP” - of SVA Families Collaborating for Success!
- Parent Involvement is **REQUIRED**
- Teams are formed by age groups and can have 2 -7 members.
- Team leaders are needed for each team - you can work with a friend as your co-leader
- Timeframe: October - March
- Main Challenge Date: March 5
- Timeframe is extended if your team goes to state level or Global level in the March 5 competition
- Teams meet 1 - 2 times per week.
- Team meeting day(s) and times will be determined at the team level to accommodate teams individual schedules

DI here at SVA please e-mail us at: Skyviewdi@gmail.com**

FOSTERING CURIOSITY,
COURAGE AND CREATIVITY

Mission

To develop opportunities that inspire the global community of learners to utilize diverse approaches in applying 21st century skills and creativity.

The Destination Imagination program is a fun, hands-on system of learning that fosters students' creativity, courage and curiosity through open-ended academic Challenges in the fields of STEM (science, technology, engineering and mathematics), fine arts and service learning. Our participants learn patience, flexibility, persistence, ethics, respect for others and their ideas, and the collaborative problem solving process. Teams may showcase their solutions at a tournament.

DI TERMINOLOGY

Team Manager: The person in charge of meetings, planning, team registration, tournament logistics and team safety. Team Manager must be 18 years or older.

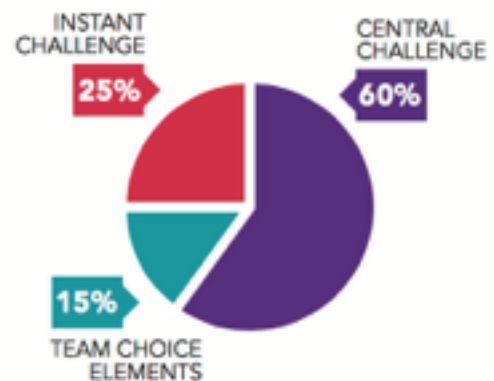

Affiliate: An organization licensed by Destination Imagination, Inc. (DI) and administer of the Challenge Program in a specific geographic area.

Team Number: A Team Number entitles a given team to participate in a DI Team Challenge at any level. Each team must have a distinct Team Number, which is provided upon purchase.

Tournament: A celebration of creativity where teams have the opportunity to compete and showcase their Team Challenge solutions and complete an Instant Challenge.

Instant Challenge: A component of Destination Imagination in which team members must think under pressure by applying appropriate skills to produce a solution to an Instant Challenge in a period of just 5 to 8 minutes.

Team Challenge: A component of Destination Imagination that involves a Challenge with multiple requirements that your team works together over an extended period of time to solve. The Team Challenge is comprised of the Central Challenge plus the Team Choice Elements, unless stated in the Challenge.
